Lundy is owned by the National Trust and managed by the Landmark Trust. The two charities have worked together since 1969 to restore and protect all that is cherished and special about Lundy. Every day visit and every overnight stay helps to secure the future of the island and its landscape, buildings and wildlife.

Lundy is the largest island in the Bristol Channel, 12 miles off the Devon coast. The Landmark Trust rescued Lundy in 1969 when we took on the Island's lease from the National Trust and we now manage 23 buildings and a camp site. People return time and again to the simple pleasures that Lundy offers; the sea is clear, the landscape spectacular and at night the stars shine with unfamiliar brilliance.

1. Getting to and from Lundy

Flight schedules and prices are available in the current Lundy brochure or Landmark Trust website. The helicopter typically takes six passengers and the flight time is approximately seven minutes.

Tickets must be bought a minimum of 14 days before departure by telephoning the Lundy office on 01271 863636.

We require the name, gender and age group (adult/child/infant) of each passenger. Children are classed as being between the ages of 2 and 15. We also require the weight in kgs of each passenger in advance.

It is imperative that you call our information line on 01271 863636 after 8.00pm the evening before your departure to check flying times. Adverse weather may sometimes force changes of flying times if particular winds are forecast.

Please note delays in flights and in reclaiming luggage may occur on busy flying days when transporting large numbers of passengers or if the weather is bad. **We strongly advise that you keep any medication in your hand luggage.**

Flights may occasionally have to be cancelled because of strong winds or poor visibility. In this event we will transport you to the Island as soon as we possibly can when the weather allows.

For details of our refund policy please refer to the Lundy booking conditions or the Landmark Trust website www.landmarktrust.org.uk.

5. Staying on Lundy

- **Marisco Tavern:** The Tavern serves a selection of dishes for breakfast, lunch and dinner. Vegetarian meals are always available and other dietary needs can be catered for, please speak to the chef.
